GRADE 5/6 HELPERS

On Friday the 11th June Mariah, Lilly, Chloe and Meg from Grade 5/6 assisted in a working bee in our garden. They planted new seedlings that were generously donated by Bunnings. Weeding and composting was done.

There still is - a huge amount to be done after the latest lockdown and the recent rain, so I really appreciated the girls help. A great effort by the girls! Sharon Vis Garden Program Specialist Teacher.

"We acknowledge the traditional custodians of the land, and pay our respect to their Elders past, present and emerging. We also acknowledge our gratitude that we share this land today, our sorrow for some of the costs of that sharing, and our hope and belief that we can move to place of equity, justice and partnership together."

Parking—Pick up and Drop Offs

Our car park area can be extremely busy at times. We ask that all families follow road signs and show courtesy towards other drivers.

We ask that parents please do not 'stop and drop' as this then becomes a safety issue for students going in between cars to get into school.

When parking, please use the indicated marks, which are located on the curb, to ensure there are enough spaces for everyone. We would also like to ask parents to **slow down** when roads are dusty, as this causes discomfort for local residents, and becomes a safety hazard for students who walk to school.

DATES TO REMEMBER

CURRICULUM DAYS FOR 2021

School Council has approved the following Curriculum Days for the remainder of 2021.

Please save these dates in your diary. **NO** students will be at school on these days.

Monday 16th August
Monday 1st November
(the day before Cup Day)

SENTRAL

Our school has moved to a new platform for absences, late arrivals and early departures. We are now using Sentral.

Sentral will automatically let parents know when their child is marked absent. There have been a couple of teething problems, and we apologise if you received a message about your child being absent when they were late to class. Please make sure your child is brought to the office to sign in if they are late to school, this will ensure an automatic notification is not received by you. Letting us know if your child is absent will also prevent messages. Just send a message to our school on Dojo or call the school on 97461312 (we have an answering machine to leave a message if early or late). We appreciate your patience while we learn the new system.

Dojo remains our main form of communication with parents at this point.

Regards
 Dawn Vassallo
 Principal

SENTRAL TIP

Tip of the week for parents/guardians—you can now submit student absences on your Parent Sentral app.

KITCHEN PROGRAM RECIPE

Melting Moments

Ingredients

275g butter, softened
1/2 cup icing sugar
1 tsp vanilla essence
1 1/2 cups flour
1/2 cup custard powder

Icing

1 cup icing sugar
1/2 tsp vanilla
60g softened butter
2 tsp orange zest, finely grated
2 tsp orange juice

Method

1. Beat the butter, icing sugar and vanilla essence together until light and creamy.
2. Combine the flour and custard powder and mix into the creamed mixture, until just combined.
3. Roll teaspoonful sized balls and place on a tray lined with baking paper.
4. Dip a fork into a little flour, flatten the balls slightly by gently pressing with the fork. Dip the fork into the flour as needed, this helps the fork not stick to the dough.
5. Bake in a preheated oven until the biscuits are firm and beginning to brown a little around the edges but they should remain pale in colour.
6. Remove from the oven and allow to cool completely on the tray. Once cold ice with the buttercream icing.

Icing preparation

Combine the icing sugar, softened butter, vanilla, zest and juice in a medium bowl. Beat for 2-4 minutes until creamy and pale.
